Agency-specific Content for the Notice of Funding Opportunity

A. Program Description

The High-Growth Cities Program provides \$4 million of State assistance per year to municipalities with populations over 5,000 that are experiencing above-normal population growth. Any municipality having an increase in population of at least 5% either through the comparison of two consecutive decennial census or the comparison of a decennial census and a special census within a given decade is eligible for this program. Funding is allocated among eligible cities based on their current population and per capita increase compared to all eligible cities. The funds must be deposited in the LPA's MFT account and can be expended for any permissible MFT use.
